

**Burst Out of the Box**

One or Two Days / Process Oriented  
Intermediate-Advanced

Complete a series of exercises using 30-degree angles, bias tubes and a variety of techniques for strip-piecing mirror image block and border patterns. Intuitive bias friendly, waste free method has no waste and uses no paper or templates. Technique is similar to Bargello and Seminole with unique twist. Lots of information, eye candy and unique ideas will be provided in this process oriented class.
